Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

I haven't posted on this mailing list in a long time, but now I have a question and don't know who else to ask. I'm trying to stay away from WHORL for a while, at least until I read In Green's Jungles. Anyway, I've been reading Endangered Species, a collection of Wolfe's short stories and I ran across this:

We've done a =lot= of talking about this one--Check the archives: search under "Suzanne Delage." Happy Hunting!
