Warning: nitpicking ahead <g>.

Roy C. Lackey wrote:

It's unclear what type of clothing he wore as an engineer, but I infer that he wore suits then as well, because he mentions putting on his coat (159), and the weather was not cold.

But it was raining; and Weer goes on to talk about "coats and hats and galoshes," so presumably that's the kind of coat Weer has in mind.
