I was rather pleased with my Christmas presents this year. Under the tree I found a copy of PEACE and FREE LIVE FREE. With my Christmas money I bought a copy of THE FIFTH HEAD OF CERBERUS. And I think I'm getting STRANGE TRAVELERS at a party tomorrow. So the question is: where do I start?

Definitely start with _Peace_. I would then read _The Fifth Head of Cerberus_, followed by _Free Live Free_ and _Strange Travelers_ (I hope you get it).

I am a strong proponent of reading books in the order they were written, and I think I have given them in this order above, or as close as possible, considering ST is a collection of short stories.

Enjoy!
