(This might be considered a spoiler for PEACE)

Thanks for all the advice, but it's too late. I finished PEACE last night and enjoyed it. I don't think there was any danger of it turning my away from Wolfe, having already been hooked on all the SUN books. I did like it very much, but am reviewing past discussions on the list to find all the things I missed (which were, of course, a lot. . .). I will say this though, I realized Weer was dead on my first time through.
