I know it was a long time ago, but there was a fairly long discussion of whether Wolfe could be considered a modernist or post-modernist here. I had nothing to say on the subject, having no expertise whatsoever in this subject matter. That may explain why I found the following cartoon so funny:

<http://www.salon.com/comics/boll/2001/03/15/boll/index.html>

Nothing to do with Wolfe and very little to do with post-modernism really, but I hope someone else is as entertained by it as I was.
