Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Can't imagine who might be interested, but I have a photo of the attendees at the Gene Wolfe symposium held in Birmingham, UK, last year. Some of them contribute to this list, so if your curiosity overcomes your good taste and common sense, drop me an e-mail and I'll send you a JPEG. The current version is 230K, but I can make it smaller if you wish. Jonathan Laidlow, James Russell and the old Spectacled Bear himself are all in the picture, although I am safely out of shot, operating the camera.

Which reminds me that I've had pictures of the attendees (thanks Sunandra!) since last year which I still haven't scanned in.

And Nigel is in these pictures...
