The Urth list — 1 messages, 1 voices, 29 May 2001

Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Sorry to abuse the list like this but, could any of you point me in the direction of a comprehensive, quality book review site. JP
