Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

John-Paul:

The best site I have found thus far is the "Arts & Letters Daily" Website at <http://www.cybereditions.com/alldaily/>, which contains links to many book review sites in addition to much else.
