Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Hello all, first-timer.

AM I TO BELIEVE that, were I to send the required monies to Crank!, that they would respond with *Bibliomen*? I know that Crank is defunct, but the offer still stands on the website. Please, I'm very excited.
