Any plans, among the US contingent at least, to watch the PBS two-parter? Here in NY it's being aired Wed. and Thu., and I've actually written it into my calendar. (I watch little TV and go out quite a bit, so this is more remarkable than it sounds.)

I don't know about PBS, but if this is the British series of a couple years ago, see it. Modulo some simplification, they got the plot of the first two books right (they only do the first two), the look is good, and several of the characters are downright eerie, notably Swelter and Flay.
