Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Alice Turner — 03 Jul 2001, 11:29

Credits are in the IMDB--<<http://us.imdb.com/Title?0197154>>. Zoe Wannamaker was Clarice.

Thanks, Wombat, shoulda thought of that. Celia Imrie was Gertrude. But they were all wonderful. Except Titus himself, but what can you do as the only straight man?

Somewhere in storage I have an anthology of rare psychedelic rock from the 60s which includes a track by a group called, iirc, Steerpike, which released a concept album whose concept was that Steerpike was the true hero of the Gormenghast books.

Well, gee, isn't he? There'd be no story but for him.
