Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

For them what has not yet seen it, Orb has (finally!) released The Urth of the New Sun in a trade paperback. Size and color are compatible with their two-volume "Book", and the price is not exorbitant. ISBN 0-312-86394-2.
