The day I decide I have 10 seconds to actually read an Urth digest I find I can contribute again!

An extract from the second part of the diptych **was** published in a literary journal. I purchased an electronic version of the article from www.northernlight.com (search term: delany, splendor, then click on 'special collections documents' on the left hand side)

It was originally published in **The Review of Contemporary Fiction** Fall/1996, (v16 n3) Start Page: p103 ISSN: 0276-0045.

I recommend it, but it is tantalising. Delany has actually published a few things of interest in literary journals, but I can't remember the reference - one was called 'extract from Phallos!' in *Callaloo*, but you'll have to remind me to look for the full details if you want them.

Sorry for lack of communication folks! New job is fun, rewarding, and busy..
