Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

John Bishop — 09 Aug 2001, 14:23

Dan'I,

The Lemony Snicket books are mildly funny, but clearly aimed at kids. It's one joke ("Dear reader, this book is not a happy story, maybe you better not read it") repeated many, many times. After a while it gets uninteresting--I quit reading them when he was done after book five.

"Lemony Snicket" is of course a pseudonym, and comes with a faked history for the fake author.

-John
