Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Wolfe has hinted that she may turn up in next year's book on
Blue!!! Or is it Green???

I'd be interested to know how Merryn (and the Cumaean?) survived the transformation of Urth into Ushas and made it into deep space. I wonder if Madregot had anything to do with this....
