Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Thank you Dennis/Endy for posting the link to the Gene Wolfe interview. I just finished it and I would just like to know one thing:

Does anyone want to start a pool on how many volumes _The Wizard Knight_ will have grown to when it is completely published? I'll take three. <g>
