Someone commented a little while ago on the obvious lack of a crucifixion
in
the allegorical schema of the Sun books

Surely the fact that Silk is an analog of Odin must have been mentioned here?

Black bird. One eye. Staff.

I know that I hung
in the windtorn tree
nine long nights
weapon-wounded,
consecrated to Odin
myself to my Self above
in the tree, whereof none knows
the root whence it sprang

Slepnir, the eight-legged horse!!!

How long was Silk in the pit? Nine days?

hartshorn
