Folks,

I've just finished re-reading the four NEW SUN books and am on my way through URTH. This follows my first read, almost a year ago, of TBotLS and TBotSS -- at about the same time I discovered the Urth and Whorl mail lists and associated repositories. I've read virtually every message since Urth and Whorl began.

My question: Does anyone have a list of the chapters in the Short Sun novels in which the Old Sun Whorl appears? Would love to take a cruise through them while the New Sun books are fresh in my mind, but I don't really want to glance through everything in the last Short Sun book.

Any help would be appreciated.

And although it's probably not necessary because of the death of the Whorl list, I sign myself
