Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

For those keeping track of such things:

* Pocketsful of Diamonds, Strange Attraction, ed. Edward Kramer, ShadowLands, 2000.

Haven't read it, but Nick Gevers gave it glowing review on Infinity Plus when the book was released.
