Does anyone know where to track down a copy of OPERATION ARES? It is supposedly an awful book, partly because of Wolfe's not yet mature style and bad editing, but I'd like a copy to make my Wolfe collection a bit more complete. Hey, I actually liked "Copperhead", so maybe I'll be thrilled at anything that has Wolfe's name on it.

I have found much success with <http://www.abebooks.com>

I just searched and found 39 copies for sale by various booksellers around the world, prices ranging from \$2.89 to \$80.00.
