Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Nicholas Gevers — 10 May 2002, 03:24

GW has an original story in the Program Book for last month's World Horror Convention. This is his description:

The story is "Mute." It's about two children left at a big house on the assumption that their father will care for them. It's a horror story, and I wrote it specifically for the World Horror program book.
