GW's latest story, "Mute", is in the 2002 World Horror Convention Program Book; a very impressive 5,000-word ghost story, the tale of two orphaned children, probably themselves dead, encountering their father's ghost in an old mansion. Adam and Eve come into the mix in a quite disturbing fashion...

The WHC Program Book designer, John Everson, indicates the Book is still available. Anyone interested can contact him at JJEnet at aol.com.
