I notice that the new DAW anthology Mars Probes by Peter Crowther includes "Shields of Mars" by Gene Wolfe. Has anyone seen this?

Yes, I've seen it and like it. It struck me as more of a vignette than a short story, despite its eleven-page length, and as pretty straightforward, even simple. Regrettably, I'm having trouble coming up with other stories that give me a similar impression.

Where can I find the Wolfe story 'Inside The Bishop's Head'?

J.
