Mr. Andre-Driussi,

Do you have any advice on where I could obtain copies of "Vance Space" and the "Quick and Dirty Guide" to Long Sun? I am very interested in tracking these items down.

Further, would it be at all possible to order digital versions of these via Sirius? I assume they are "on disk" somewhere.

Thanks in advance for any help,
Craig Brewer

Tricky. "Vance Space" might show up if you used all the different used book search engines (there were a few dealers who bought quantities, iirc). "Q&D," wow, unlikely (no sales to dealers), but then again it could happen (an owner decides to auction it on eBay or something).

No digital versions yet, nor any plans for that. I would announce it.
