I generally only have time to skim-read the list at the moment, but I read Mantis' account of his recent WorldCon visit with great pleasure. Michael, thank you for taking time to tell us about it all. If you ever feel like filling in even more detail of your discussions with the Wolfes, on- or off-list, there would be an eager reader here in Minety.

I have not seen this.

Was it sent to the list?

J.
