GW has a new story in the limited edition anthology
SHELF LIFE, edited by Greg Ketter and issued by
Dreamhaven Books. Title: "From the Cradle". The book's
theme is bookstores.

For Christmas I received a copy of SHELF LIFE, a collection of stories about bookstores. Edited by Greg Ketter, introduction by Neil Gaiman. It contains the new story "From the Cradle" by Gene Wolfe, but I haven't read it yet. The book is a limited edition (1,000 copies). Each is numbered and signed by each contributor. The publisher is Dreamhaven Books. You can read more about it and view the cover here:

This sounds really interesting, thanks for the link :o) What other authors are in it (I'm writing this online, so I can probably check soon anyway...)

Best,
