Not a Wolfean take on Nigerian "4-1-9" scams, but very damn funny nonetheless: Check out <http://www.quatloos.com/brad-c/directory01.htm>. Record of a guy's counter-scamming of the scammers. "The Porcine Princess Chronicles" and "The Senator's Beach Pledge" both highly recommended.

Quatloos is a magnificent site devoted to chronicling and exposing all the various low-life scams going around - very useful if you have relatives or friends about to quaff on some kind of snake oil.

Slightly more Wolfean perhaps is <http://www.quatloos.com/cm-omega/cm-omega.htm>. Visions of the land of milk & honey, millianarian yearnings, fundamentalism & dumb greed combined in one of the most pathetic displays of human stupidity ever.
