Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

All this information about the Ozzian army reminded me (off topic)
of John Wright's The Golden Age: his soldier too wears tinted specs IIRC.
