Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

For people planning to dive into Vance, let me remind you that our own mantis has written a useful (and cheap) guide that you can find by going to the website marked in his sig.

Thanks for the plug, but "Vance Space" has been out of print for a while. No plans to reprint, no plans for a new edition.
