I've forgotten who the Pullmanologists are among us. I've been rereading -The Subtle Knife-, I really can't tell you why, and I'd like to discuss Specters (American spelling) off the list. Would anyone interested please email me. Thanks.

As an aside the BBC are broadcasting an adaptation of the series in it's Saturday Afternoon Play slot 14:30 - 17:00 GMT. I heard much of it and thought it rather good.

The first aired last Saturday and can be heard at

<http://www.bbc.co.uk/radio4/arts/hisdarkmaterials/index.shtml> There is additional material on the site.

"The Subtle Knife" will be broadcast on Saturday 11 January and "The Amber Spyglass" will be broadcast on Saturday 18 January. Presumably they will subsequently be available at the the same site.
