I don't remember seeing this news on the list, but I don't read it that carefully, so apologies if this is old news.

Both Amazon and Tor's own website claim that Tor is publishing a trade paperback omnibus of SOLDIER OF THE MIST and SOLDIER OF ARETE, titled LATRO IN THE MIST, in February.

You folks have probably all read them both, but I'm looking forward to finally getting my hands on them.

Dan (currently reading PEACE for the first time)
