...uhh, thanks to the people who pointed out my error...and quite rightly...I was aware of the temporal inconsistency, but I coulda sworn that there was some allusion in the final volume, which I don't currently have...ah, well, let it go...

Consciousness will always be one degree above comprehensibility. - G.C.H. Ehrensvard

Girish: "Please bless me, sir."

Master: "Have faith in the Divine Mother and you will attain everything."

Girish: "But I am a sinner."

Master: "The wretch who constantly harps on sin becomes a sinner."

Girish: "Sir, the very ground where I used to sit would become unholy."

Master: "How can you say that? Suppose a light is brought into a room that has been dark a thousand years; does it illumine the room little by little, or all in a flash?"

Girish: "Then you have blessed me."

Master: "If you sincerely believe it. What more shall I say? I eat and drink and chant the name of God."
