I have started a yahoo group for the discussion of R. A. Lafferty's writings. I know there are a lot of Wolfe readers who also read Lafferty, so if anyone is interested you can join at:

Carmody Overlark: "Miss Clutt, this is a world problem. You are only an individual."

Cecilia Clutt: "I am not only an individual. There is no such thing as only an individual. If ever a person can be spoken of as only an individual, then humanity has already failed."
