

Father Inire's Mirrors

The Urth list — 1 messages, 1 voices, 31 Jan 2003

<https://urth.darkrealm.vip/thread/urth/3826>

Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Josh Geller — 31 Jan 2003, 18:10

Apparently, Leonardo da Vinci built a set (he certainly drew and described one, though he did not directly mention the peculiar properties found with the BotNS version), presumably modulo the laser in the middle, but it's hard to tell with Leonardo.

If I were trying to see along dimensions other than the standard three, this would be one of the ways I'd go about it.
