Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Jeff Prucher — 09 Apr 2003, 17:46

Wolfe will apparently have a new story in the forthcoming anthology "13 Horrors", which will be released at the World Horror Convention in Kansas City on April 17.

Also on the 17th, RevolutionSF.com will be posting the story "Easter Sunday", which is billed as a "classic reprint" but which (as far as I can tell), hasn't been collected and doesn't appear in the standard bibliographies. Curious.
