Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

It's the audio adaptation of "The Tree Is My Hat" that was done at last year's World HorrorCon and currently up for a Stoker award. Listen to it while you can; it will be unavailable after May 6.
