Ranjit,

Your gloss on k.d. is priceless---maybe **that** should be the subject of our mysterious panel at Disclave...which, btw, John Clute might possibly join.

Speaking of which, I promised info (which I had to get from mantis, but here 'tis). Aside from PO'L, whom I know is coming, a couple of the rest of you have made noises. Please, please come--Ranjit, Rostrum, everyone. If you agree to be on the panel, I think they'll give you a free membership!
