Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

A quick question for the list. If anyone wants to respond to me, they can do so privately at maa32 at dana.ucc.nau.edu.

I understand that Wolfe wrote a short story called "Mute" for the 2002 World Horror pamphlet booklet. Is there any way to get a hold of a copy? Thanks.
