Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

A few on the list claim they would be interested in getting Mr. Wolfe to participate in a workshop type review.

Perhaps.

I am not currently one of them.

Please reread my posts on the matter and at that point I would truly appreciate your comments.

Thank you,

J.
