If anyone in the UK wants a free, albeit a bit battered from going on holiday with me twice, copy of the Fantasy Masterworks edition of Crowley's "Little Big", they are welcome to it for the price of postage.

No - I didn't like it, and two attempts is quite enough....

In other news, Peter Wright's book-length study of GW, *Attending Daedalus*, is due out in a few months, and I've put up pre-order links through Ultan's Library's association with Amazon UK at www.ultan.co.uk....
