This is a completely off-topic post, but I know that some people reading this list are H. P. Lovecraft fans, or, at least, readers. Well, now is your chance to own what every true H. P. Lovecraft fan has always secretly wanted, a plush Cthulhu toy!

I am not affiliated with the above company or web site in any way. I am not even a customer, just a highly amused monitor shopper.

Throw him in the bath and see if he can swim.

And while he's treading water, you can sing Happy Birthday to Lovecraft (thanks to Garrison Keillor's Writer's Almanac).
