Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Father Inire's mirrors side-step all these issues.

Everyone knows that Leonardo Da Vinci built a mirror thingie like this, right? Or at least drew it in a notebook.

I am not a sodomite, though I sort of wish
I was. So many and such great men have been,
that I cannot but regard the habit as a sign
of special favor from God.
