In a message dated 9/30/2004 12:04:47 PM Pacific Standard Time, urth-urth.net-request at lists.urth.net writes:

However, if you go the route William Ansley suggests, then I recommend reading the Latro novels just before starting "The Book of the Long Sun" since Wolfe seems there to have been appeasing creative demons that were left unsatisfied when Tor gently recommended another Urth book instead of another Latro book.

There should be another Latro book coming out soon. It is essentially an uncompleted series. Latro is still a long way from his home.
