Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

I know I'm disappointed about Disclave, but Terry Bisson reminded me that WorldCon (Labor Day weekend) is also in Baltimore this year, and suggested that Wolfe might show for that (he apparently has a close friend in Baltimore), and that we could transfer our whole roadshow to that. If any of us hears anything about that, why don't we post it. And people who have bought plane tix (PO'L?) might inquire about postponing them.
