In plain sight you can hide it from the blind.

They sit on a leaf and wait until autumn

How do elephants disguise themselves?
They wear dark glasses.

Which ones?

How do you get 2 Whales in a mini?

Down the M4... Or did you say Scotland or Ireland?

How do you get to Wales in a mini?

This is a Marx brothers type joke. It's like "to get to the other side" . . . the practical answer to a ridiculous question.

Why do the elephants have big ears?

Noddy won't pay the ransom... African or Ascian?

I don't get this one either, but what I really don't get is what these jokes have to do with Gene Wolfe. It's one thing to hear the same arguments about soul/spirit/body fifteen times with different words, but at least it's on topic.
