I am most dreadfully sorry.

I never thought my words would render you all
speechless or I would have just lurked in some corner

Is there anything I can do right?

Hmmm... I'd recommend that you work with your pharmacist until they get the dosages right.
Sure, the colors may no longer be as bright, but I think the payoff in ability to focus will make it worthwhile.

Either that, or troll elsewhere.

BTW, Mani, Idunn, Thiassi, are all part of the Norse mythos. However none of them are simple cut-and-paste versions of what in TWK books. Look at:

P.S. Damn. Trolls *are* part of the Norse mythos. Oh well.

As is the spring Mimir, which I think is mentioned only once. It's where the Valfather took Able to drink so as to recover his memories (page 56 of TW). Again, it's not a simple cut-and-paste version, though. I'd bet there's many more references to the Norse mythos we haven't found yet.

Again, not quite a simple cut-and-paste version.
