Yes Maru.

It is 3 novellas written as one story.

Of this I am certain.

The ascians/abos are people like us

Even the deer-hunter, the elephant-man and the old whaler recognised this at last.

There is a method to this madness but the full mystery (Mr. E is unlike Maitre D'Iffy) is not yet revealed to me. M'sieur Yves? or did you say Eve?

Gene Wolfe is prisoner 143, but he is a cypher for everyone who suffers unjustly, whatever their species. or type.

Bien sur.

We are all related, names only tell half the story.

I hope this helps

Jim
