Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Aickman wrote some of the most subtly unsettling and adult stories of
the supernatural ever, and in the most elegant, mannered english.

He has cropped up on this list before, but it was years ago. Now, as then, I thoroughly recommend him.
