Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Just a note to UK readers - spotted in my campus bookshop, the large format paperback omnibus of WIZARD and KNIGHT, now available in a UK edition.
