I'm sorry, I forgot to post the link to the cover art for the Swedish edition of _Shadow & Claw_ as I had planned. It can be found here: http://home.student.uu.se/jesv8435/wolfe_dnsb1.jpg

Which reminds me of something I had been meaning to ask people on the list.

I have heard of some BOTNS artwork, I believe it was french, particularly a depiction of the flower duel. If anybody knows what I am referring to, are these online anywhere?
